

## MICHELLE D. CAMPBELL, ASSOCIATE AIA

Ms. Campbell has been providing architectural services since 1996. She has served as architectural designer, project architect, and project manager on various project types including K-12 schools, Retail, Warehouses, Multi-family housing, Single family housing, Rentals, Clubhouses, Police stations and Mixed-use buildings. Her strengths as a Project Architect encompass the ability to transfer the goals and product from the process of conception through the ribbon cutting ceremony. All the while paying close attention to the budget, schedules, and construction issues tackling them with efficiency and organization. This lends a valuable service to clients when leading them through the sometimes demanding and multifaceted design and construction process.

As Project Architect, Ms. Campbell has a wide range of expertise. She has a far-reaching understanding in construction administration. This knowledge makes the construction process run smoothly; and is a valuable tool during the construction document phase. She has also assisted with planning board presentations, referendum planning, and .Abbot School Districts with feasibility studies. Her design skills have been utilized in the programming of several clubhouses and daycare centers and the interior designing of five elementary schools for the Evesham school district.
