

Additions / Alterations to the Delsea Regional High School

SOUTHERN GLOUCESTER COUNTY REGIONAL SCHOOL DISTRICT

Scope of Services

- Long Range Planning
- Referendum services
- Department of Education Approvals
- Outside Agency Approvals
- Architecture / Engineering Services
- Enhanced Construction Phase Services

Program

Delsea Regional High School initiated a 4 year phased construction project to modernize the existing building and to accommodate the growing needs of the larger student body and emerging technology needs. The project consisted of 95,686 square feet of new construction and over 40,000 square feet of renovations. All work had to be planned to minimize disruption of students and staff during construction.
